

## 24-MONTH INTERNATIONAL (\*) WARRANTY (\*\*) ON PARTS AND LABOUR COST FOR ALL REPAIRS AND/OR MAINTENANCE CARRIED OUT AT AD GARAGE

Important: A dated invoice with the description of the works carried out will be issued for every intervention by an AD Garage. You must keep this invoice for at least 24 months. It is proof that the intervention took place in an AD Garage, and will be required later to assert the validity of a possible warranty (\*\*).

### **What to do in case of a breakdown:**

A. In your home country

Contact the AD Garage that has carried out the repair or maintenance, or another AD Garage in the vicinity, and explain your situation. It will do what is necessary to help you further.

B. Abroad

B.1. In a country where there are AD Garages (\*).

1. Contact the nearest AD Garage and explain your case.
2. The AD Garage abroad will detect the defect and determine whether or not it is covered by the warranty (\*\*).
3. The AD Garage abroad will give you an invoice of its work (parts and labour time included). If the defect is covered by the warranty (\*\*), this AD Garage will also give you a warranty form duly completed and signed.
4. You pay the invoice and can continue your journey. The warranty form signed by the AD Garage guarantees that the expenses for the repair will be subsequently repaid in full.

B.2. In a country where there is no AD Garage.

Ask the nearest Garage for help. Keep all the documents of any repair (invoice with indication of labour time, parts, description of the repair) and any defective parts. Although such a case is not covered by the international (\*) warranty (\*\*) of AD Garage, we advise you to see your AD Garage in your country, which will assess whether the case is covered by the warranty(\*\*). If so, it will propose a settlement for compensation.

How to get your money back

1. Go back to the AD Garage that carried out the first repair or maintenance.
2. Hand to them:
  - their own invoice for the first intervention
  - the invoice from the AD Garage abroad
  - the warranty (\*\*) form
  - any defective components
  - the expert's invoice, if any (if an expert was consulted; see the Guidelines for International (\*) Warranty (\*\*))
3. The AD Garage will reimburse in full the expenses for the repair abroad, as well as any assessment costs.

AD Garage can also be of service in the event of an accident.  
Do not hesitate to contact AD Garage in case of emergency.
